SLC Talking Points - OPP Overview.docx

Attached are talking points on pesticides. Because PowerPoint won't be used, I kept it as a word document. Please let me know if you have comments/questions.

Thanks.

Wendy and Nancy - At today's DAA meeting, Robin Richardson (OCIR) said that speakers at the SLC should not plan to use slides because they won't have the equipment set up to show them. I presume you'll want to use the content of the slides that Ryan and Avivah have prepared as talking points.
